TEN chances to one, your favorite ball-player smokes Tuxedo. We have scores of testimonials from the *crack men* of the crack nines all over the country, saying that they enjoy Tuxedo and recommending it

Also—look around you the next time you pick out that soft seat in the bleachers or grandstand and see how many of your neighbors are packing their pipes with Tuxedo or rolling it into cigarettes.

Size up the men who are smoking and endorsing Tuxedo. They're real men, full of life and the joy of life.

Tuxedo is in a class by itself. It has many imitators-but in the pipe it has no equal. It is made of the best selected Burley Tobacco, the finest that Kentucky grows, ripened, cured and aged until it has reached the tip-top of mildness, mellowness and sweetness. Then it is treated by the original "Tuxedo Process" which takes out all the sting so it cannot possibly bite-even

if you should smoke it all day long.

You simply cannot buy better tobacco at any price. Try Tuxedo to-day. You will see why these men are so fond
